

Colby Hill Inn

THE **GRAZING** ROOM
A COUNTRY **ECO** RETREAT & DINING DESTINATION

Located in picturesque **Henniker, New Hampshire**, our property was founded in 1797 and maintained as a private 200-acre farming property until it was established as an inn in 1959. The inn offers **14 distinct guest rooms**, all with private baths. Two large, romantic Carriage House suites are ideal spaces to prepare for your wedding and spend your first night as a married couple. The main inn has two public parlors for socializing and relaxing with your guests. A covered bridge and Contoocook River are within walking distance for photos.

As a premiere “rustic-elegant” wedding venue, we can accommodate up to 120 guests outdoors or in the barn. Our five-acre property includes:

- **The Main Event Barn** with seating for up to 120 guests, fortified dance floor, rustic bar, two bathrooms, a loft bandstand, and a Groom’s Lounge for dressing.
- **Bridal Dressing Room**
- **Pastoral meadows** with heirloom apple trees bordered by a running creek and organic culinary gardens
- **The Main Lawn** has a gazebo, perennial gardens, flowered arbors and an original barn converted into an event service bar
- A patio for outdoor dining with a gas fire pit
- An in-ground swimming pool
- Stables with nine French Alpine goats

The Grazing Room is one of three gold-level **farm-to-table certified restaurants in the state**. Our catering options range from fun cocktail parties, to the most elegant 3-course dinners to unique, global food stations and, of course, buffets. Chef Barnes was the Sr. Executive Chef at the World Bank and the National Museum of the American Indian; he also owned two East Village restaurants in New York.

Guest Room Booking: We require that all 14 guestrooms be booked by your wedding guests for both the day of the wedding and the day prior to the wedding. This way, our focus is on you! Upon reserving your date, we will block all the guestrooms until your guests call to reserve their room.
