

Colby Hill Inn

A COUNTRY **ECO** RETREAT & DINING DESTINATION

THE
GRAZING
ROOM

Located in picturesque **Henniker, New Hampshire**, our property was founded in 1797 and maintained as a private 200-acre farming property until it was established as an inn in 1959. The inn offers **14 distinct guest rooms**, all with private baths. Two large, romantic Carriage House suites are ideal spaces to prepare for your wedding and spend your first night as a married couple. The main inn has two public parlors for socializing and relaxing with your guests. A covered bridge and Contoocook River are within walking distance for photos.

As a premiere “rustic-elegant” wedding venue, we can accommodate up to 125 guests outdoors or in the barn. Our five-acre property includes:

- **The Main Event Barn** with fortified dance floor, rustic bar, two bathrooms, a loft bandstand, and a Barn Loft for dressing.
- **Pastoral meadows** with heirloom apple trees bordered by a running creek and organic culinary gardens
- **The Main Lawn** has a gazebo, perennial gardens, flowered arbors and an original barn converted into an event service bar
- Our “**Into the Woods**” dining space for stylized dining like nowhere else!
- A patio for outdoor dining
- An in-ground swimming pool fully renovated in 2022
- Stables with 9 French Alpine goats and two coops with 40 chickens and a dozen turkeys

The Grazing Room is a gold-level **farm-to-table certified restaurants**. Our catering options range from fun cocktail parties, to the most elegant 3-course dinners to unique, global food stations and, of course, buffets. Chef Barnes was the Sr. Executive Chef at the World Bank and the National Museum of the American Indian; he also owned two East Village restaurants in New York City. ***This is the venue for foodies!***
