Handcrafted cakes for life's most special moments

At Silver Whisk Bake Shop, each cake is thoughtfully crafted with beauty, creativity, and flavor in mind. The online-based bakery in the Boston area is owned by Nancy Zhou who works closely with each couple and understands how important your special day is.

“A cake is more than just a cake- it's an important centerpiece which is part of the whole experience.”

Every cake is custom made to tailor each couple's personal taste and style, therefore, pricing is determined on an individual basis. Pricing is dependent on the complexity of a design and labor involved. In general, wedding cakes range between \$9.00 to \$16.00 per serving.
