

Colby Hill Inn | THE GRAZING ROOM

A COUNTRY **ECO** RETREAT & DINING DESTINATION

Located in picturesque **Henniker, New Hampshire**, our property was founded in 1797 and maintained as a private 200-acre farming property until it was established as an inn in 1959. The inn offers **14 distinct guest rooms**, all with private baths. Two large, romantic Carriage House suites are ideal spaces to prepare for your wedding and spend your first night as a married couple. The main inn has two public parlors for socializing and relaxing with your guests. A covered bridge and Contoocook River are within walking distance for photos.

As a premiere “rustic-elegant” wedding venue, we can accommodate up to 125 guests outdoors or in the barn. Our five-acre property includes:

- **The Main Event Barn** with fortified dance floor, rustic bar, two bathrooms, a loft bandstand, and a Barn Loft for dressing.
- **Pastoral meadows** with heirloom apple trees bordered by a running creek and organic culinary gardens
- **The Main Lawn** has a gazebo, perennial gardens, flowered arbors and an original barn converted into an event service bar
- A patio for outdoor dining with a gas fire pit
- An in-ground swimming pool fully renovated in 2022
- Stables with 14 French Alpine goats and 26 chickens in a coop

The Grazing Room is a gold-level **farm-to-table certified restaurants**. Our catering options range from fun cocktail parties, to the most elegant 3-course dinners to unique, global food stations and, of course, buffets. Chef Barnes was the Sr. Executive Chef at the World Bank and the National Museum of the American Indian; he also owned two East Village restaurants in New York City. ***This is the venue for foodies!***

Guest Room Booking: For weddings over 40 guests, we require that all 14 guestrooms be booked by your wedding guests for both the day of the wedding and the day prior to the wedding. This way, our focus is on you! For weddings with less than 40 guests, the full Carriage House must be booked. You will be provided a full listing of rooms upon booking.
