

# Colby Hill Inn | THE GRAZING ROOM

A COUNTRY **ECO** RETREAT & DINING DESTINATION

Located in picturesque **Henniker, New Hampshire**, our property was founded in 1797 and maintained as a private 200-acre farming property until it was established as an inn in 1959. The inn offers **14 distinct guest rooms**, all with private baths. Two large, romantic Carriage House suites are ideal spaces to prepare for your wedding and spend your first night as a married couple. The main inn has two public parlors for socializing and relaxing with your guests. A covered bridge and Contoocook River are within walking distance for photos.

As a premiere “rustic-elegant” wedding venue, we can accommodate up to 150 guests outdoors and 120 in the barn. Our five-acre property includes:

- **The Main Event Barn** with seating for up to 130 guests, fortified dance floor, rustic bar, two bathrooms, loft space and a photo booth (coming in 2019)
- **Pastoral meadows** with heirloom apple trees bordered by a running creek and organic culinary gardens
- **The Main Lawn** has a gazebo, perennial gardens, flowered arbors and an original barn converted into an event service bar
- A patio for outdoor dining with a gas fire pit
- An in-ground swimming pool
- Stables with four French Alpine goats

**The Grazing Room** is one of three gold-level **farm-to-table certified restaurants in the state**. Our catering options range from the most elegant 3-course dinners to unique, global food stations. Chef Barnes was the Sr. Executive Chef at the World Bank.

**Guest Room Booking:** Upon your request, all 14 guest rooms will be blocked for the day of your wedding. We are happy to block other nights at your request.
